Folding Towels.

1. Get a towel	
2. Lay it flat and smooth it out	
3. Grab two corners (one on each hand)	
4. Fold over corners to match other 2 corners	
5. Smooth it out	
6. Grab two corners (again)	
7. Fold over to match 2 other corners	

8. Smooth it out	
9. Grab right side of folded towel	
10. Fold over in half to match other side	

All Done!! Great Job!! |
