

BRUSHING TEETH

1. Uncap Toothpaste	 An illustration of a white tube of toothpaste with a red stripe. The cap is being pulled off, indicated by a red arrow pointing downwards from the cap.
2. Put toothpaste on the toothbrush	 An illustration of a red toothbrush with white bristles. A small amount of white toothpaste is being squeezed from the tube onto the bristles.
3. Cap toothpaste	 An illustration of a white tube of toothpaste with a red stripe. The cap is being pushed back onto the tube, indicated by a red arrow pointing upwards towards the cap.
4. Put the toothbrush under running water	 An illustration of a sink with a faucet. A red toothbrush is being held under the running water from the faucet.
5. Put the toothbrush into mouth	 A cartoon illustration of a person's head and shoulders. They are holding a green toothbrush in their mouth, ready to brush.
6. Brush bottom teeth (10 seconds)	 Two illustrations. The left one shows a top-down view of an open mouth with a red arrow pointing to the lower teeth. The right one shows a side view of a toothbrush being used to brush the lower teeth.
7. Spit in sink	 A cartoon illustration of a person standing at a sink, spitting into it. A blue stream of water is shown coming out of the person's mouth into the sink.
8. Brush top teeth (10 seconds)	 A top-down view of an open mouth with a red arrow pointing to the upper teeth.
9. Spit in sink	 A cartoon illustration of a person standing at a sink, spitting into it. A blue stream of water is shown coming out of the person's mouth into the sink.

BRUSHING TEETH

10. Brush front teeth (10 seconds)	 A cartoon character with a smiling face is brushing their front teeth with a green toothbrush.
11. Spit in sink	 A cartoon character is spitting into a sink. A blue stream of liquid is shown coming from their mouth into the sink.
12. Brush tongue	 A close-up illustration of a red toothbrush brushing a pink tongue.
13. Spit in sink	 A cartoon character is spitting into a sink. A blue stream of liquid is shown coming from their mouth into the sink.
14. Pour water into the cup	 A hand is holding a clear glass cup under a faucet, with water being poured into it.
15. Rinse mouth	 A cartoon character is holding a clear glass cup, presumably containing water for rinsing.
16. Spit in sink	 A cartoon character is spitting into a sink. A blue stream of liquid is shown coming from their mouth into the sink.
17. Wash toothbrush	 A red toothbrush is being held under a running faucet in a sink, with water splashing around it.
18. Put the toothbrush into cup	 A hand is placing a red toothbrush into a clear glass cup. A red arrow points to the toothbrush.
